## 4SC24Series (2T/Hour)

Date:2017.01.01

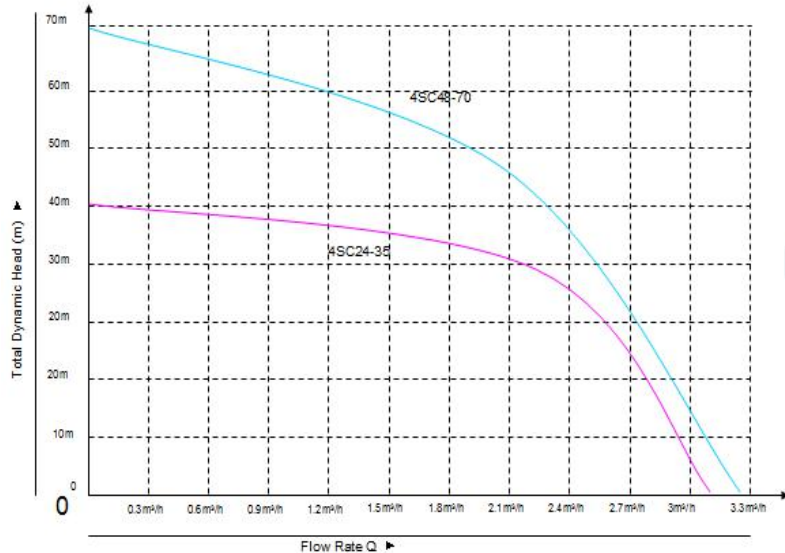

TYPE: Power frequency Solar pump

Model	Power W	MPPT voltage V	open Voltage V	Max.Lift m	Rated lift m	Max.Flow T/H	Rated flow T/H	Inlet port mm	Outlet port	Protecton
4SC24-35	300	18V-36V	44V	40	20	4	2	100	1.2	IP68

## 4SC48Series(2T/Hour)

Model	Power W	MPPT voltage V	open Voltage V	Max.Lift m	Rated lift m	Max.Flow T/H	Rated flow T/H	Inlet port mm	Outlet port	Protecton
4SC48-70	600	28V-72V	88V	70	40	4	2	100	1.2	IP68

4SC1.5 Series  
Solar Super high efficiency pump  
Solar DC Stainless Steel Pump  
Solar Submersible Pump  
Solar Industrial Frequency Pump  
Solar Blocking Anti Sand Pump

- Unit price just pump & inner MPPT without control boxes, No water level Sensor. Fob price USD/PCS
- Hold protection on too high & low voltage, protection on motor locked rotor & Current overload. Lack of water auto protection.  
Keep system automatical & intellectualized working without personal control
- Stainless steel body with brass pump head
- Pump standard with 3M cable, longer cable customize offered
- Recommend Solar panel offered 130-150% power.
- Warranty of 12 months.
